

REMARKS

Claims 1-5, 7, 8, 11, 12, 15-18, 21-23, and 25-31 are amended, claims 6, 24, and 32-34 are cancelled, and new claims 35 and 36 are added. No new matter is introduced. Claims 1-5, 7-23, 25-31, 35, and 36 are pending in the present application. Applicant wishes to thank the Examiner for finding allowable subject matter in claims 6, 7, 18, 19, 24-26, and 29-34.

The Examiner objected to the order in which the claims were presented. The foregoing amendments place the claims in an appropriate order as suggested by the Examiner.

Independent claim 1, as amended, is essentially dependent claim 6 rewritten in independent form, which the Examiner has indicated to be allowable. Accordingly, claim 1 and claims 2-5 and 7-20, which are dependent from claim 1, are allowable. Additionally, independent claim 21, as amended, is essentially dependent claim 24 rewritten in independent form, which the Examiner has indicated to be allowable. Accordingly, claim 21 and claims 22, 23, and 25-28, which are dependent from claim 21, are allowable. Claim 29 has been rewritten in independent form, which the Examiner has indicated to be allowable. Accordingly, claim 29, and claims 30 and 31, which are dependent from claim 29, are allowable. New claim 35 is essentially claim 18 rewritten in independent form, which the Examiner has indicated to be allowable. Accordingly, claim 35 and claim 36, which is dependent from claim 35, are allowable.

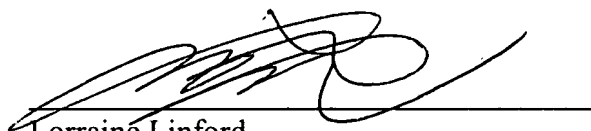

Applicant respectfully submits that the application is placed in condition for allowance and requests that a Notice of Allowance be issued.
